ASIAN INFRASTRUCTURE INVESTMENT BANK

Kaisu Christie
Vice President and Chief Administration Officer and Acting Director General, Human Resources Department

Kaisu Christie is Vice President and Chief Administration Officer and Acting Director General, Human Resources Department, overseeing human resources, information technology, facilities and administration services, and data management. She also chairs the Strategic Information Technology Committee and the Human Resources Review Committee, ensuring the alignment of AIIB's internal capabilities with its strategic objectives. As Acting Director General, Human Resources Department, she leads the development and execution of AIIB's human resources strategy in line with the overall strategic direction of the Bank.Christie brings over two decades of global leadership experience in organizational transformation, digital innovation, and strategic human capital development across multilateral institutions and in the private sector in banking, energy and telecommunications. Prior to joining AIIB, she was Deputy Director General and Group Chief Digital Officer at the European Investment Bank Group, and Senior Vice President of Mortgages, Real Estate and Collateral management at OP Financial Group. In these and prior roles, she has spearheaded enterprise-wide strategic modernization initiatives and championed inclusive workplace cultures. Her career has been defined by a commitment to operational excellence, organizational and talent development, and leveraging technology and data to drive organizations' strategy and operational excellence. Christie has also served on boards for private and nonprofit organizations in Europe and Australia. She holds an executive master's degree from Aalto University Helsinki, Finland, and a BA

in Information Management from Turku UAS, Finland. Christie is from Finland and Australia.
