

AIIB+

MATCHING DEALS AND INVESTORS FOR AMPLIFIED IMPACT

What is AIIB+?

AIIB+ is a digitally-enhanced platform designed to better connect providers of concessional and technical resources with AIIB's project pipeline. The first of its kind, AIIB+ is set to revolutionize the way Multilateral Development Banks mobilize external concessional resources by creating a marketplace for concessional projects, and matching deals and financing at speed and scale.

KEY BENEFITS OF AIIB+

Reduce transaction costs for concessional investors working with AIIB

Enhance coordination and added value at upstream and downstream project stages

Provide access to an interconnected global marketplace of deals and partners.

What does AIIB+ do?

Enhance the efficiency of concessional resource allocation by matching AIIB project pipeline with the most suitable technical and financial resources.

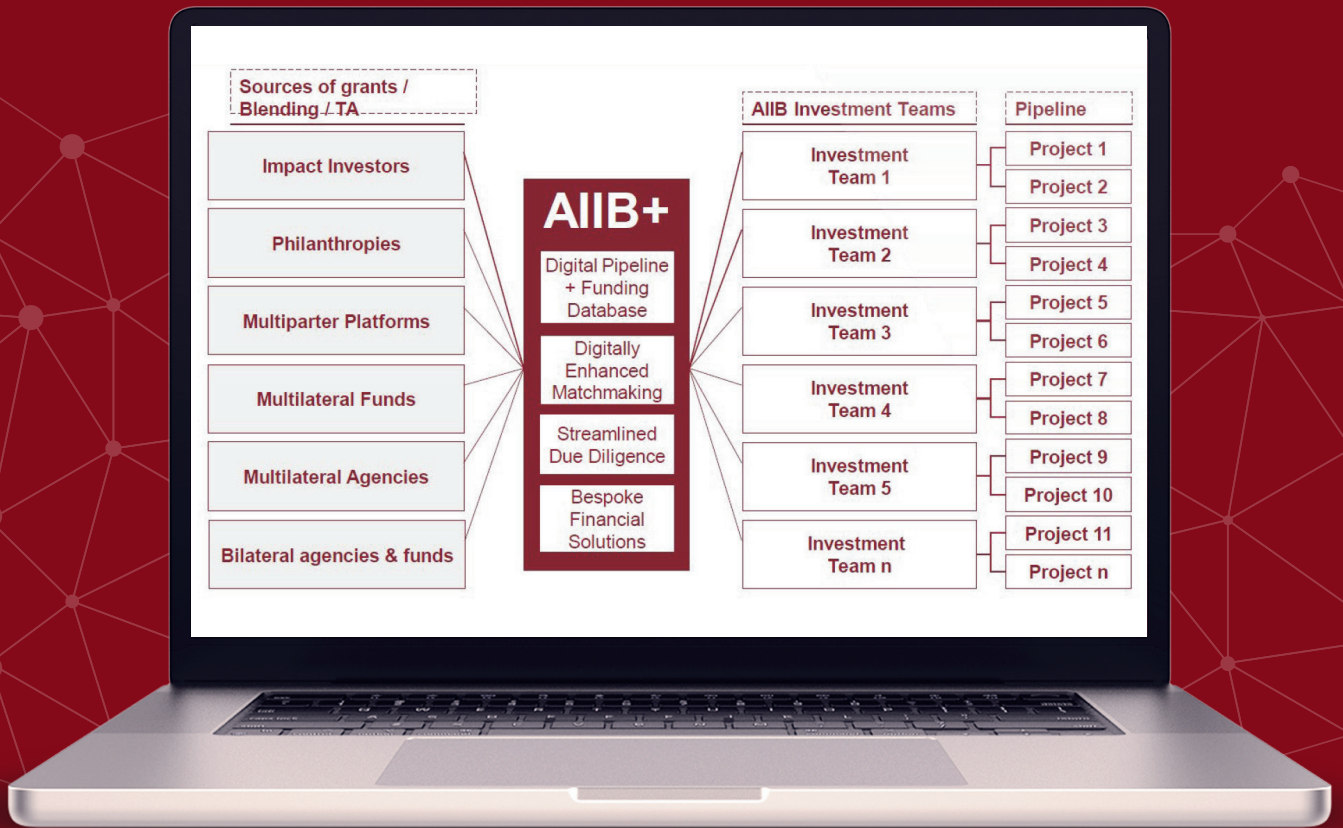

Increase the number and speed of positive matches by streamlining and enhancing due-diligence and decision making.

Scale impact for clients and investors, by pooling partners and resources and connecting with other global platforms.

How does AIIB+ work?

Getting On Board

We invite co-investors, donors and technical partners to join the AIIB+ digital marketplace by expressing interest to register at: partnerships@aiib.org
